

# Articulation Agreement CSU, Chico

Our goal is to provide an up-to-date Articulation Agreement; however, because undergrad course catalogs change constantly, it is not guaranteed that this information is up to date. If there are any concerns about whether a course will meet the requirements, you may have it reviewed by the Office of Admissions by directing questions about the acceptability of a prerequisite course to [ODadmissions@ketchum.edu](mailto:ODadmissions@ketchum.edu). Paste into the email the following information: which SCCO prerequisite course you are seeking to fulfill, school where the course is offered, how many units (specify semester or quarter), and course description copied from the college or university's online catalog.

Students may apply with prerequisite coursework in progress; however, all prerequisite requirements must be completed before MBKU's fall term begins in mid-August. To be acceptable, prerequisite courses must be completed with a grade of "C-" or better.

**Bachelor's Degree:** A four-year baccalaureate degree is recommended; however, applicants who complete a minimum of 90 semester or 135 quarter units of undergraduate study will qualify for admission. To be eligible to apply, the applicant must be on track to complete the required units within the academic term that precedes Fall matriculation.

**Advanced Placement (AP)** credits for the prerequisites will be accepted if the appropriate number of credit hours is awarded. AP credits must appear on your official college transcript as proof that they were acceptable as equivalents by your college or university.

SCCO Requirement	Courses	Credit Requirements
Calculus	MATH 120 or MATH 220	3 semester units or 4 quarter units
General Biology/Zoology (no lab required)	BIOL 102 and 162	2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 9 quarter units)
General Microbiology/Bacteriology (lab required)	BIOL 211 or 371	3 semester units or 4 quarter units
General Physics (labs required)	PHYS 202A, 202B	2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units)
General Chemistry (labs required)	CHEM 111, 112	2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units)
Organic Chemistry (no lab required)	CHEM 270	3 semester units or 4 quarter units
Psychology	PSYC 101	3 semester units or 4 quarter units
English Composition or Literature	ENG 130, 240	6 semester units or 8 quarter units
Statistics	MATH 105 or PSYC 364	3 semester units or 4 quarter units
Human Anatomy* (no lab required)	BIOL 103	3 semester units or 4 quarter units
Human Physiology* (no lab required)	BIOL 104	3 semester units or 4 quarter units
Bio Chemistry (no lab required)	CHEM 451 (*prerequisite CHEM 370)	3 semester units or 4 quarter units

\* Human Anatomy and Physiology lecture series may be completed one of two ways:

- Combined Human A&P (6 semester units or 8 quarter units)
- Separate Human Anatomy and Human Physiology (3 semester units or 4 quarter units each)
