FOCUS ON PHILANTHROPY
The University experienced a positive financial year with a change in net assets from operating activities of $280,000 on total revenues of $28.2 million. Members of the University Family are to be congratulated for the significant role each played in achieving these operating results.

At MBKU, tuition represents 45 percent of the total revenue. This is well below the industry standard of 60 percent. The balance of revenues includes contributions from individuals, alumni, corporations and foundations as well as income from endowments, investments, continuing education programs and University vision-care centers.

Endowments also help the University because the scholarships they create help our students to have less educational debt.

The MBKU Family remains appreciative of the contributions from alumni and friends as income to the University in 2012–13 from endowments, private gifts, grants and contracts represented $889,000 or 3.16 percent of total revenue. These gifts are most welcome and assist with the funding of University programs and student scholarships and awards.

(1) Contributed Services represents the FTE donated by our 105 outreach locations. We send our students to these locations, mostly VA sites, and we do not pay a salary to the doctors who oversee our students. Generally accepted accounting principles require us to report the donated hours on our financial statements. This has a zero effect to the bottom line since it is both a revenue and expense line item. (2) Auxiliary income is acquired from the Campus Store, Production Lab, Housing, NVISION, and Parking revenues. (3) Other Sources represents Event, Royalty, Tuition Deposit Forfeiture, and Miscellaneous Revenue.
CONTRIBUTORS OF COMMEMORATIVE DISTINCTION

ENDOWMENT FUNDS

Endowment Funds at the University have been established by alumni and friends to support scholarships, student loans, research, and other special programs and activities.

An endowment fund, once established, continues in perpetuity with the income from the fund providing support for the area/activity specified by the donor. Fully endowed funds are established at the $25,000 level or above. For specific opportunities, please contact MBKU’s Vice President for University Advancement Paul A. Stover, M.Ed., 714.449.7461.

Endowment Funds offer unique ways for individuals and groups to recognize achievement and distinction in special areas.

One hundred members of SCCO’s Class of 2016 were honored at the traditional White Coat Ceremony on Sunday, September 16, 2012. The ceremony signals the official welcome of the new First-Year Class into SCCO’s doctoral degree program and the profession of optometry.
Scholarships totaling $221,800 were presented to 160 students at SCCO’s Fall Honors Program on September 14, 2012. Overall, 184 scholarships were awarded for academic and clinical achievement, essays on leadership, community service participation and other topics supportive of SCCO’s educational program. Recipients of the Dr. Herbert McCracken Dixon Scholarship for the highest GPA in each class are pictured with President Kevin L. Alexander, O.D., Ph.D.

Members of the Class of 2015 show off their uniquely designed eye charts in this May 2012 photo.
Special gratitude is extended to our annual contributors whose uncommon generosity is vital to the fulfillment of the mission. It is a pleasure and a privilege to acknowledge their support.
