TO RSVP**

Come hang out with SCCO Student Ambassadors!

We created this event to see what it's like to walk in our shoes and experience what it's like to be an optometry student at MBKU! Explore campus, take part in hands-on demonstrations, learn basic skills you can use during vision screenings, and enjoy games, snacks, and plenty of opportunities to connect with our students and team. Our Admissions Officers will also be available to answer your questions about the application process and what it's like to join the MBKU community. Whether you're just exploring optometry, preparing to apply, or have already been admitted to our incoming class, this event is for you! We can't wait to meet you, show you around, and give you a glimpse of life as an MBKU optometry student!
