**SUMMER ADMISSIONS**

# Workshop

Saturday, July 21, 2018 | 8:30 a.m. - 12:30 p.m.

Streamlined for students applying in the next 1-2 admissions cycles, we welcome potential applicants to help prepare them for SCCO's application process.

Guests are offered concurrent sessions that will help them support their potential future optometrist.

### **Prospective students will:**

- Learn how to qualify and prepare for an interview
- Understand what makes an applicant competitive
- Hear about MBKU's optometric program
- Engage with current students
- Participate in a campus tour

### **Guests of prospective students will:**

- Learn about financial aid options
- Hear about the role of optometry in health care today
- Understand how secure a future in optometry is
- Hear about what makes SCCO unique
- Participate in a campus tour

**RSVP is  
Required**
