

HONORARY CEREMONY

2020 *Commencement*

MARSHALL B. KETCHUM
UNIVERSITY

*Southern California College of Optometry
College of Pharmacy*

Friday, November 12, 2021 at 1:30 P.M.

Marshall B. Ketchum University

ABOUT MARSHALL B. KETCHUM UNIVERSITY

In 1904, Dr. Marshall B. Ketchum, a pharmacist and physician began a school in Los Angeles, California with the humble mission of teaching students how to refract and fit glasses to help people see better. His commitment to compassion, innovation and excellence set the highest standards for the field. With a deep responsibility to students, patients and the community, the University's vital role in shaping the best and brightest minds in health care lives on.

In 2009, under the leadership of President Kevin L. Alexander, the campus responded to the changing face of health care with the decision to add other health care programs. To accommodate new programs, the University was established in 2013, and named after our founder, Marshall B. Ketchum. The result is a model institution immersing students in an interprofessional environment and expecting the highest quality of care and discovery from every student who passes through our doors.

Today, Marshall B. Ketchum University is leading a momentous change in health care education. Each student optometrist, Physician Assistant or pharmacist has the ability and opportunity and work together to positively affect the lives of those seeking health care. In this way, our institution remains dedicated to providing only the highest level of education preparing students for the interprofessional delivery of health care.

The future is expecting you.

BOARD OF TRUSTEES

Richard S. Price, II, JD, Chair	Frances M. Hunter

PATIENT CARE

ACADEMIC *Regalia*

The academic gowns that you see today represent a tradition that we inherited from the universities of the Middle Ages. Those institutions were founded by the church; and the students, being clerics, were obliged to wear their clerical gowns and caps at all times. Through the ages, these regalia were altered to accommodate both fashion and fancy.

In the United States, academic gowns are usually black, but the way they are worn and their cut distinguishes the wearer's academic degree. The bachelor's gown is worn closed; the master's and doctor's gown may be worn open or closed. Also, the sleeves of the gowns are shaped differently according to the level of degree: a bachelor's gown has long, pointed sleeves; a master's gown has oblong sleeves that are square in the back and have an arc cut away in the front; and a doctor's gown has bell-shaped sleeves. In addition, velvet panels and chevrons, either in black or the color representing the academic discipline, distinguish doctoral gowns.

The mortarboards or tams for all degree holders are black. The tassels attached to the mortarboards can be black, the color that the individual academic disciplines choose to represent their field, or in the case of faculty, gold. The hood is the most outstanding and colorful feature of the regalia. It is lined with the colors of the institution from which the wearers received their degrees. Its size and shape indicate the wearer's degree; and its collar is the color of the academic discipline.

Kelly green is the color used by Physician Assistant. Optometry wears seafoam green. Pharmacy uses khaki green. The colors are used for both the tassel and the velvet trim on the hood. The purple and gold satin lining of the hood represents the traditional colors of Marshall B. Ketchum University.

Along with the degree holder being identified by gown style and hood color, the holder is further identified by his place in the procession. Those having the highest faculty seniority are always positioned at the end of the processional.

UNIVERSITY MACE

Colleges and universities often employ a "mace" to connect the institution's customs with the best traditions of higher education dating to the first universities founded during the Middle Ages. A mace symbolizes authority, learning and scholarship, history, reputation and values. It suggests commemoration, elegance, honor, pageantry, purpose, quality, solemnity, stability and continuity.

I DON'T KNOW WHAT YOUR DESTINY WILL BE, BUT ONE THING I KNOW;
THE ONLY ONES AMONG YOU WHO WILL BE REALLY HAPPY ARE THOSE
WHO WILL HAVE SOUGHT AND FOUND HOW TO SERVE.

ALBERT SCHWEITZER

THE *Oath* OF THE PHARMACIST

WITH FULL DELIBERATION I FREELY AND SOLEMNLY PLEDGE THAT:

I promise to devote myself to a lifetime of service to others through the profession of pharmacy. In fulfilling this vow:

I will consider the welfare of humanity and relief of suffering my primary concerns.

I will apply my knowledge, experience, and skills to the best of my ability to assure optimal outcomes for my patients.

I will respect and protect all personal and health information entrusted to me.

I will accept the lifelong obligation to improve my professional knowledge and competence.

I will hold myself and my colleagues to the highest principles of our profession's moral, ethical and legal conduct.

I will embrace and advocate changes that improve patient care.

I will utilize my knowledge, skills, experiences, and values to prepare the next generation of pharmacists.

I take these vows voluntarily with the full realization of the responsibility with which I am entrusted by the public.

THE OPTOMETRIST *Oath*

WITH FULL DELIBERATION I FREELY AND SOLEMNLY PLEDGE THAT:

I affirm that the health of my patient will be my first consideration.

I will practice the art and science of optometry faithfully and conscientiously, and to the fullest scope of my competence.

I will uphold and honorably promote by example and action the highest standards, ethics and ideals of my chosen profession and the honor of the degree, Doctor of Optometry, which has been granted me.

I will provide professional care for the diverse populations who seek my services, with concern, with compassion and with due regard for their human rights and dignity.

I will work to expand access to quality care and improve health equity for all communities.

I will place the treatment of those who seek my care above personal gain and strive to see that none shall lack for proper care.

I will hold as privileged and inviolable all information entrusted to me in confidence by my patients.

I will advise my patients fully and honestly of all which may serve to restore, maintain or enhance their vision and general health.

I will strive continuously to broaden my knowledge and skills so that my patients may benefit from all new and efficacious means to enhance the care of human vision.

I will share information cordially and unselfishly with my fellow doctors of optometry and other professionals for the benefit of patients and the advancement of human knowledge and welfare.

I will do my utmost to serve my community, my country and humankind as a citizen as well as a doctor of optometry.

I hereby commit myself to be steadfast in the performance of this my solemn oath and obligation.
