

# PART-TIME ADJUNCT FACULTY POSITIONS: KETCHUM HEALTH

**Southern California College of Optometry (SCCO) at Marshall B. Ketchum University (MBKU) is seeking applicants for part-time faculty positions in the Cornea and Contact Lens Service at the University Eye Center at Ketchum Health Anaheim on Saturday mornings (8 AM - 12 PM) and afternoons (1 PM - 5 PM). We are looking for expertise in the following areas:**

Qualified candidates would be expected to teach and mentor students in the OD program during their 3rd and 4th year rotations. This position is for clinical teaching, in which you will supervise four to five 3rd and 4th year interns while in clinic seeing patients. You will be responsible for ensuring proper patient care and a sound educational experience (including completing evaluations and providing regular feedback to the students). Part-time positions are being sought specifically for Saturday shifts, but other days of the week may be considered in addition to Saturday.

The University Eye Center at Ketchum Health proudly serves a diverse demographic from throughout Southern California. We are the main clinical education teaching facility of the Southern California College of Optometry at Marshall B. Ketchum University. We are looking for individuals who are enthusiastic, energetic and passionate about providing care and enjoy teaching in this environment.

Candidates must have an OD degree and be eligible for a California optometry license. Preference will be given to applicants with an advanced degree, residency/fellowship training, and/or advanced professional development.

Review of applications will continue until positions are filled.
