

FULL TIME PRIMARY CARE & OCULAR DISEASE POSITION

Southern California College of Optometry (SCCO) at Marshall B. Ketchum University (MBKU) is seeking applicants for a primary care and ocular disease faculty position* to provide education in our Optometry and Vision Science programs.

Qualified candidates are expected to teach and mentor students in the Optometry and Vision Science programs, support College scholarly initiatives, and participate in service activities at the College, the University, and on a national level. A record of educational and scholarly activity appropriate for level of experience in optometry and vision science is required.

Candidates must have an OD degree and are required to have successfully completed an accredited residency in Ocular Disease or Primary Care or have extensive clinical experience within a medical optometry/ophthalmology based practice. Candidates must be able to obtain level II credentialing at the University Eye Center at Ketchum Health in Ocular Disease. Criteria include the ability to perform and interpret diagnostic instrumentation such as OCT, ultrasonography, and perimetry as well as having some experience with injections and lasers. The candidate must have an active license to practice Optometry in California with glaucoma certification. An active DEA license is also preferred.

Review of applications will continue until the position is filled. Salary and faculty rank will be commensurate with the candidate's qualifications.

For more information about employment at MBKU, please visit: ketchum.edu/sccofaculty

Candidates should submit a letter of interest, comprehensive curriculum vitae, and three references to:

John Lee, OD

Assistant Professor
Assistant Chief, Jarnigan Center for Primary Care Service
University Eye Care at Ketchum Health

ABOUT MBKU

MBKU is a private, non-profit, accredited educational institution, located in Fullerton, California. MBKU is a comprehensive health care university, built upon a legacy of over 110 years of academic excellence and clinical education. The founder of SCCO at MBKU, was a medical doctor, pharmacist, and passionate advocate for medical education. The mission of MBKU is to educate caring, inspired health care professionals who are prepared to deliver collaborative, patient-centric health care in an inter-professional environment.

Created as SCCO, and expanded to offer a range of inter-professional programs and health care initiatives, MBKU also has a School of Physician Assistant Studies and a College of Pharmacy. This is an exciting time for health care, for medical innovation and education, and for our community. We believe the future is bright, and look forward to advancing it together.

MBKU is an equal opportunity employer; requirements are subject to possible modification to reasonably accommodate individuals with disabilities.

*MBKU offers both tenured and non-tenured track positions. For more details please visit ketchum.edu/sccofaculty
