MARSHALL B. KETCHUM UNIVERSITY
2575 Yorba Linda Blvd, Fullerton, CA 92831

Applying to optometry school in the next 1-2 years? What better way to learn more about SCCO's program and what we look for in competitive applicants than to live a "day in the life" with us? Join the Dean, faculty members, admissions officers, Student Ambassadors and alumni in-person or virtually for this interactive workshop that includes:

- Walking through an OptomCAS application with Admissions Officers
- Taking notes while the Dean asks faculty what they look for during the interview
- Joining Faculty and Student Ambassadors for labs
- Enjoying a pizza party in the Student Union
- Learning about career options from an Alumni Panel conducted "Informational Interview" style
