Course Enrollment

For course information and enrollment instructions, please visit the CE Registration Portal via the MBKU Continuing Education homepage.

Course Manuals

Course Manuals will be published online for download approximately one week before classes are held. It is recommended that you download and save a copy of the manual prior to attending class. To access the manual, you must enter the code provided in your registration confirmation.

Optometric Clinical Seminars at the VA Greater Los Angeles Healthcare System

This interactive series is designed to present the essential core of optometric and clinical knowledge in a manner that enhances understanding and retention. Designed for the practicing optometrist, each section of the course curriculum contains related aspects of basic and clinical science.

*Optometric Clinical Seminars at the VA are offered most Thursdays at 1:00 p.m. and will provide attending optometrists with 4 units of CE credit. **Enrollment Fees Starting at \$89.00.***

Online Coursework

In partnership with Vision West, SCCO provides high-quality, innovative, and challenging COPE-Approved education for optometrists hoping to enhance their knowledge and understanding of a variety of topics at their own pace. To enroll and complete online coursework, please visit the Online CE Portal.

*In compliance with the California State Board of Optometry, optometrists may complete a total of 20 hours of online coursework per licensing renewal period. **Enrollment Fees: \$59.00***
