

PART-TIME ADJUNCT FACULTY POSITIONS: UECKH

Southern California College of Optometry (SCCO) at Marshall B. Ketchum University (MBKU) is seeking applicants for part-time faculty positions to provide clinical education at the University Eye Center Ketchum Health Clinic. We are looking for expertise in the following areas:

Pediatrics

(low vision, disease, strabismus/amblyopia, myopia control, contact lenses, special populations)

Vision Therapy

(non-strabismic, strabismic, perception and traumatic brain injury conditions)

Ocular Disease

Contact Lens

(specialty contact lens fitting)

Qualified candidates would be expected to teach and mentor students in the OD program during their Clinical rotation. This position is for clinical teaching, in which you will supervise four to five interns while in clinic seeing patients. You will be responsible for ensuring proper patient care and a sound educational experience (including completing evaluations and providing regular feedback to the students). Part-time positions will be considered at 1-2 days a week.

UECKH proudly serves a diverse demographic from throughout Southern California. We are the main clinical education teaching facility of the Southern California College of Optometry at Marshall B. Ketchum University. We are looking for individuals who are enthusiastic, energetic and passionate about providing care and enjoy teaching in this environment.

Candidates must have an OD degree and be eligible for a California optometry license. Preference will be given to applicants with an advanced degree, residency/fellowship training, and/or advanced professional development.

Review of applications will continue until positions are filled.
