

Our goal is to provide an up-to-date Articulation Agreement; however, because undergrad course catalogs change constantly, it is not guaranteed that this information is up to date. If there are any concerns about whether a course will meet the requirements, you may have it reviewed by the Office of Admissions by directing questions about the acceptability of a prerequisite course to ODadmissions@ketchum.edu. Paste into the email the following information: which SCCO prerequisite course you are seeking to fulfill, school where the course is offered, how many units (specify semester or quarter), and course description copied from the college or university's online catalog.

Students may apply with prerequisite coursework in progress; however, all prerequisite requirements must be completed before MBKU's fall term begins in mid-August. To be acceptable, prerequisite courses must be completed with a grade of "C-" or better.

Bachelor's Degree: A four-year baccalaureate degree is recommended; however, applicants who complete a minimum of 90 semester or 135 quarter units of undergraduate study will qualify for admission. To be eligible to apply, the applicant must be on track to complete the required units within the academic term that precedes Fall matriculation.

Advanced Placement (AP) credits for the prerequisites will be accepted as long as the appropriate number of credit hours is awarded. AP credits must appear on your official college transcript as proof that they were acceptable as equivalents by your college or university.

| SCCO Requirement | Courses | Credit Requirements |
|--|--------------------------------------|---|
| Calculus | MATH 10A or 20A | 3 semester units or 4 quarter units |
| General Biology/Zoology (no lab required) | BILD 1, 2, 3 | 2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 9 quarter units) |
| General Microbiology/Bacteriology (lab required) | BIMM120/121(lab) or BIMM124/121(lab) | 3 semester units or 4 quarter units |
| General Physics (labs required) | PHYS 1A/1AL, 1B/1BL, 1C/1CL | 2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units) |
| General Chemistry (labs required) | CHEM 6A, 6B, 6C, 7L | 2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units) |
| Organic Chemistry (no lab required) | CHEM 40A | 3 semester units or 4 quarter units |
| Psychology | PSYC 1 | 3 semester units or 4 quarter units |
| English Composition or Literature | Any 2 writing intensive courses | 6 semester units or 8 quarter units |
| Statistics | MATH11 or PSYCH 60 | 3 semester units or 4 quarter units |
| Human Anatomy* (no lab required) | Not offered | 3 semester units or 4 quarter units |
| Human Physiology* (no lab required) | BIPN 100 | 3 semester units or 4 quarter units |
| Bio Chemistry (no lab required) | BIBC100 or BIBC102 or CHEM114A | 3 semester units or 4 quarter units |

* Human Anatomy and Physiology lecture series may be completed one of two ways:

- Combined Human A&P (6 semester units or 8 quarter units)
- Separate Human Anatomy and Human Physiology (3 semester units or 4 quarter units each)
